My Dear Mr. Noe:-

The writer encloses herewith his check for \$5.50 in payment for the photographs and book.

Should you have the four illustrations out of this book, *Waterloo Medal,* among the loose pages which I saw, would be pleased if you would lay aside a set of them for me. Can get this the next time I come out.

Please ask Mr. Wood to make me a photograph of the Charlemagne coin, and also of the Napoleon Plaque in the case downstairs on the east side of the room. This is one by D'Anvers, as I remember it.

*Both  
sides  
of each.*

Very Respectfully Yours,

*Chas E. Fowler.*

Dear Mr. Fowler:

I mailed you today a photograph of the large Napoleon medal you wished.

I am not positive with regard to the coins being issued by Charlemagne, so did not photograph them.

Please pardon the delay in having this work done for you, but I have been away for several months and only recently returned.

Very truly yours,

Curator

Dear Mr. Fowler:

I have been looking through various catalogues, books, etc., concerning your five-francepiece of Neuchâtel, and all the five-francs mentioned have the date simply 181. The piece is without doubt an essai but made in such quantities that it is not especially rare.

Very truly yours,
